Clearwater County Watercraft Permit

Date: _____

Permit #: _____

Name: _____

Address: _____

Township: _____

Lake: _____

Description of Watercraft _____

A permit is authorized to place a swim raft or similar temporary floating structure not more than 100' from shore with visible permit numbers displayed and reflectors on all sides.

Authorization is conditioned on the following:

- The structure will not be an obstruction to navigation or create safety hazard.
- The structure will not be detrimental to significant fish and wildlife habitat.
- The site is not a posted fish spawning area.
- The structure does not have a roof, walls or sewage facilities and is not used or intended to be used for human habitation or as a boat storage structure.
- The structure allows for the free flow of water beneath it.
- The structure is not more than 8 feet in width, and is not combined with other similar structures so as to create a larger structure.

I agree to observe all boating and water recreation laws and regulations.
