

Clearwater County is frequently asked to provide GPS coordinates for individuals to locate their property corners here in Clearwater County.

Clearwater County does not maintain GPS coordinates for locating property corners. Even if absolutely accurate GPS coordinates could be provided, most commonly available lower cost GPS devices do not have sufficient positional accuracy for the purpose of locating property corners or boundaries. Accurate property corners and boundaries can be determined only by a licensed professional land surveyor who is qualified by State Law to locate or set them.

If you have questions, The Clearwater County Surveyor is available at the courthouse the 2<sup>nd</sup> and 3<sup>rd</sup> Tuesday of each month (his office is located in the Records Office) or you can contact him by phone 218-694-6129 or you can email him at [county.surveyor@co.clearwater.mn.us](mailto:county.surveyor@co.clearwater.mn.us)
