**TRANSPORTATION PERMIT TERMS AND CONDITIONS FOR
CLEARWATER COUNTY ROADS AND HIGHWAYS**

1. The applicant is responsible for complying with the terms and conditions of this permit and all other transportation laws, ordinances, and regulations. The information required on the “Application for Transportation Form” establishes the vehicle or combination of vehicles to be used and corresponding object or material, load, and route applicable to this permit.
2. This permit is for roads and highways under the jurisdiction of Clearwater County only, which includes County Roads and County State Aid Highways.
3. In accordance with Minnesota State Statute 169.825 Weight Limitations, no vehicle shall exceed the Gross Weight Schedule for any vehicle in the corresponding axle group designation without a permit.
4. Permits will not be issued during Spring Road Restriction unless under an emergency. If a permit is issued on a restricted road, the maximum axle weight allowed is as shown in the following table:

Restricted Gross Weight Table (LBS.)						
	9 Ton	8 Ton	7 Ton	6 Ton	5 Ton	4 Ton
Single Axle	18,000	16,000	14,000	12,000	10,000	8,000
2 axles spaced within 8’ or less	34,000	30,222	26,444	22,667	18,889	15,111
3 axles spaced within 9’ or less	43,000	38,222	33,444	28,667	23,889	19,111
4 axles spaced within 14’ or less	51,500	45,778	40,056	34,333	28,611	22,889

5. A permit is required for loads that exceed the maximum vehicle dimensions in accordance with Minnesota State Statutes 169.80 and 169.81. The maximum legal height is 13-feet 6-inches. The maximum legal width is 8-feet 6-inches. The maximum legal length varies depending on vehicle as shown in the referenced statutes.
6. Loads over 16 feet wide requires traffic control to be provided by a Sheriff’s Patrol at a fee established by the Sheriff.
7. Permits are not authorized if load can be divided.
8. Permits are not authorized for movement on Saturdays, Sundays, holidays or after dark.
9. Permits are not authorized for movement of loads or equipment where towing vehicles are inadequate or unsafe.
10. Permits are not authorized for movement on bridges, which exceed the posted limits.
11. Permits are not authorized for movement over roads, which in the opinion of the County Engineer would be damaged.
12. Permits are not valid for vehicles or operators that do not conform to requirements established by any law, ordinance, or regulation. The County is not responsible for verifying the vehicle or combination vehicle registration and licensed, weight, insurance coverage, operating condition, the vehicle operator’s drivers license, or any other vehicle related criteria required by any law, ordinance, or regulation.
13. The County is not responsible for verifying the vehicle or combination vehicle axle and gross weights or the overall length, width and height of the vehicle or combination vehicle and object or material hauled complies with this permit.
14. The applicant is responsible for the adequacy and/or condition of the vehicle or combination vehicle and any equipment required to load, secure, haul or tow any object or material included in this permit. The applicant is responsible for any and all operations required to perform the transportation included in this permit.
15. The applicant is responsible for contacting and complying with any utility owners that may have facilities (overhead telephone and/or power lines) that would be impacted by the transportation included in this permit.
16. The applicant will defend and hold harmless Clearwater County and its agents or employees in any traffic violation, civil, or criminal action resulting from the transportation authorized by this permit.
17. The applicant will assume all liability to the traveling public and for damages done to bridges, roads, or other structures. Clearwater County will not be liable for any damages to mover or owner for failure of bridges or other structures to support truck and materials hauled over same. Moving contractor may have to furnish bond to cover any damages done to bridges, roads or any other structure on roads.
